Ladies and Gentlemen:

Ref Case #1:17CV13 (JCC/JFA)

As I am the Pro se Plaintiff in this case, a FedEx return pre-paid envelope is enclosed for the following responses:

1. Would you please send me a stamped (conformed) copy of the summons issued to Defendant Michael Polson;
2. I had requested a hearing on the motion to redact for 27 January at 10:00. Has this been approved and scheduled? (I am making travel plans with this expectation, but can you please confirm.)
3. I did not receive any potential date for an initial Case Management Conference for me to attend. Could you let me know the date for this, if it has been set yet, so I can make travel plans?

Regards,

Capt. JL
